# programme information

Breakout is an event to inspire, resource, and challenge young people to explore and express the Christian Faith.

The theme is 'beyond' and we want the young people and youth workers at Breakout to:

- be challenged to go **beyond** where they are in their Christian faith – to deepen their commitment, begin their relationship with Jesus or simply to have the opportunity to discuss and explore Christian beliefs.
- go **beyond** what they have done/tried before to enable them to learn new skills (in sport, art, worship, youth work etc.) or have new experiences.
- think **beyond** their own lives to tackle issues of injustice and division around the world.
- have access to a range of resources that go **beyond** those currently used in local churches.
- go **beyond** the local church and be challenged to take the message of Jesus into the community.
- have the opportunity to participate in worship that is **beyond** their usual experience.
- look **beyond** the local level, meet with groups, form friendships, share events, training, ideas and resources.
- look at what is **beyond** Breakout – at the many challenges facing youth work in our churches today. We want Breakout and the work of MAYC to provide practical support and resources that can be used at a local, district and national level, but also to encourage and support the young people and youth workers to take the challenges and inspiration that they have encountered **beyond** the Breakout weekend into the rest of their lives.

## Age Requirements

To attend Breakout as part of a group, you will need to be in year seven of secondary school, or above.

All youth groups must have group leader of 18 years of age, or older. Several leaders may attend the event, but we would suggest that you have at least one male and one female leader if your group is mixed, and you have a minimum of 2 leaders for a group of up to 20 people. You should aim to keep this ratio of leaders to young people if your group has more than 20 people in it.

Provision is being made for those with special needs. Young people from other denominations and backgrounds are strongly encouraged to come and experience Breakout.

The event commences at 7.30pm on Friday 11th July and closes at lunchtime on Sunday 13th July.

The programme is built around:

**ENTERTAINMENT** Details of who's performing at Breakout can be found on the website [www.breakout2008.info](http://www.breakout2008.info).

**RADIO** There will be an opportunity to broadcast on Breakout's new radio station. Check website for details.

**INTERACTIVITY** Sports with a difference. Breakout 08 will include a number of traditional sports along with opportunities for young people to participate in a selection of adventure sports. The workshop programme from 2008 will offer a wide range of opportunities to explore the theme through interaction and discussion.

**SPIRITUALITY** Worship and prayer will run throughout the event enabling participants to experience a range of styles. From lively and inspirational to relaxed and chilled-out, Breakout will have something for everyone.

**EXHIBITION** With displays from many organisations working with young people, there will be a chance to discover resources and ask questions. There will also be cyber points throughout the venue.

Whether you are a young person or a youth worker, we can guarantee it will have something for everyone!

If you want to be involved, with the event then contact the MAYC office details below. Discounts are available for those working during the event.
