

WHEN HE GROWS UP

- 1 When Jesus grows to be a man
He'll show the people that they can
Can be renewed
They'll gather round the hills of green
Hungry for a brand new way to live

- 2 When Jesus grows to be a man
He'll show the people that they can
Can believe
He'll touch blind eyes and they will see
Open to a brand new way to live

- 3 When Jesus grows to be a man
He'll show the people that they can
Can be free
He'll bear their pain and die to give
Broken ones a brand new way to live

Refrain

He will walk on water
He'll calm the sea
He will bring new life
To you and me
Yes when He grows up
When Jesus grows up
To be a man
